Re: Freedom of Information Request No. EPA-R2-2014-003196
Dated: January 30, 2014

Dear Ms. Sims:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request. In addition, you may also receive information from other program areas within this Regional Office.

We are enclosing copies of the RCRA Facility File Index Sheets for two Square D facilities located in Bordentown, New Jersey. The addresses are 88, and 90 US Highway 130 (Route 130) in Bordentown, New Jersey. There are other RCRA documents that the EPA RCRA Project Managers would have that may not be included on the enclosed index sheets. We are checking with the EPA RCRA Project Managers on this. We are also enclosing copies of the RCRA Compliance Monitoring, and Enforcement Data Reports regarding inspection information for the two Square D facilities listed above.

The approximate amount of RCRA information that we have in our RCRA file room for each of the Square D facilities is the following: 88 US Highway 130 (Route 130)-about 29 inches, and 90 US Highway 130-about 32 ½ feet. One inch is equivalent to 250 pages. The cost for copying each page is \$.15.

For further information regarding the fact sheet for Square D located at 90 US Highway 130, Bordentown, New Jersey, you can access information from the internet at:
<http://www.epa.gov/region02/waste/fssquare.htm>.

Since, we have so much information for the two sites; we need to talk to you to see if we can find other ways to narrow the scope of your request. When the files are quite large, we also give the requester an opportunity to visit our office to review the documents. If you decide to visit us, we will arrange to make the files available to you. Kindly arrange your appointment with Mr. David Abrines of my staff at (212) 637-3043. The file offices are open between the hours of 9:00am - 4:00pm at the following address:

Room 1538, 15th Floor
290 Broadway
New York, New York 10007-1866.

Be sure to bring a copy of this letter when coming to our EPA file office, and make reference to the EPA ID Numbers NJD986579449, and NJD002345247.

If you decide that you can not visit us, another suggestion is that you can select the information that you need from the RCRA Facility File Index Sheets. However, due to the amount of information that we have, this approach may not be feasible. You can place an asterisk next to the documents that interest you on the index sheets, and then fax the indexes to Mr. Abrines at (212) 637-3526. Or, you can e-mail the information to abrines.david@epa.gov. Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost.

In addition, RCRA information is available on the Internet as described on the enclosed sheet.

Please include the above referenced request number on any inquiries regarding this response. We wait to hear from you as to how you want us to proceed with your request.

Sincerely yours,
